

RF-SMART ADVANCED WMS SOLUTION

EXTENDED PROFILE

OVERVIEW

RF-SMART is a global leader in barcoding and mobile inventory management solutions for Warehousing, Wholesale Distribution, Manufacturing, Retail & eCommerce. RF-SMART Leverages barcodes and data collection technology to automate business processes so the production, movement, management and fulfillment of inventory is fast and accurate. RF-SMART integrates directly with ERPs as a WMS for NetSuite and inventory management for Oracle Cloud SCM. As a mobile scanning Warehouse Management System (WMS), RF-SMART gives you real-time visibility into your operations and full traceability from the receiving process all the way through delivery.
