

ZOHO INVENTORY

EXTENDED PROFILE

Zoho Inventory is cloud-first inventory and order management software that centralizes stock, purchase orders, and multi-channel sales for small to mid-sized businesses (particularly growing eCommerce sellers, wholesalers, and distributors).

It provides barcode and batch tracking, multi-warehouse support, order fulfillment tools, marketplace and accounting integrations, as well as a set of free online inventory calculators and generators.

INTEGRATIONS & ECOSYSTEM

Zoho Inventory integrates with popular eCommerce marketplaces (Shopify, Amazon, eBay), accounting systems (QuickBooks Online, Xero), Zoho apps, and numerous shipping partners for centralized multi-channel fulfillment and synchronized accounting.

Note: Integration availability or specific marketplace features can vary by regional edition.

CORE FUNCTIONS

- **Stock control & tracking:** Real-time stock updates, batch/expiry tracking, serial numbers, and barcode generation/scanning. Useful for goods that require traceability.
- **Order management & fulfillment:** Centralizes sales orders from multiple channels, supports packing lists, shipment tracking, and integration with 40+ shipping carriers.
- **Purchasing & vendor management:** Create, send, and track purchase orders; PO workflows include draft/issued/partially received/received states. An online purchase order generator and templates are available.
- **Reporting & analytics:** Standard inventory reports plus calculators for reorder points, EOQ (Economic Order Quantity), inventory turnover, and break-even analysis to help ordering decisions.
- **Item management:** Create item groups, variants, unit-of-measure conversions, and auto-generated SKUs (SKU generator).

FREE TOOLS & USEFUL UTILITIES

Here's a breakdown of Zoho's free online tools:

- **SKU generator:** Generate consistent SKUs for item groups.
- **Purchase order generator:** Create and print POs without signing up.
- **EOQ calculator:** Economic Order Quantity calculator to help size orders
- **Break-even point calculator:** Simple break-even analysis by units or revenue.

PRICING AND PLANS

Zoho Inventory has a free plan and several paid tiers (Standard, Professional, Premium, Enterprise). Paid plans are available on a monthly or yearly billing cycle and include a 14-day trial for paid tiers; certain advanced features (custom modules, record locking, etc.) depend on plan level.

Please download the extended profile for plan details.

Note: Prices reflect annual billing rates for the US edition as listed.
